Re: Change in File Number, Travertine Cove #2, 3 & 4, S/027/061, Millard County, Utah

Dear Mr. Jensen:

This letter is to inform you that we have made a correction in our file numbers regarding your Travertine Cove #2, 3 & 4 Project. We inadvertently had the file number for your project located in Juab County rather than Millard County.

We have corrected the county and the file number to now read, *Millard County, file number S/027/061* instead of Juab County, M/023/048. Please use the new number in any future correspondence regarding the Travertine Cove #2, 3 & 4 project.

Sincerely,

Tom Munson  
Reclamation Hydrologist
